

CONCEPT 23

CONSTRUCTION

- 65 Gallon Aluminum Fuel Tank
- Heavy Duty Rub Rail
- Non-Skid Cockpit Sole with 2 large scuppers
- Hull & Deck Chemically Unit bonded with Methacrylate Adhesive & Fiberglassed
- Wood Free Hand Laid Fiberglass Hull, High Density Composite Cell Core Transom & Stringer System encapsulated in Fiberglass & Bonded Together
- Lifetime Warranty To First Owner with 10 Year Limited transferable

COCKPIT FEATURES

- Insulated 21 gallon Console Cooler
- Illuminated LED lights (4)
- Under Console Side Door Dry Storage
- Insulated Fish Boxes in Floor (2)
- Rod Holders in Gunnel (2)
- Anchor Locker Flush
- High Grade Vinyl Coaming Pads
- USCG Approved Fire Extinguisher
- Built-In Rod Racks
- Removable Fiberglass Storage boxes in Port & Starboard Transom for Easy Access to Batteries & Rigging

CONSOLE FEATURES

- Anodized Cup Holders (2)
- AC Adaptor 12V
- Plexiglass Windshield on Console (3/8" Molded)
- Custom Steering Wheel
- Glove Box Storage on Dash

SEATING

- Heavy Duty Hatches for storage underneath Seats
- Bow Seating with backrest pads
- Console Seat w/Backrest (2 person)
- Custom Leaning Post w/back rest, Rod-holders or cup-holders (2 person)
- Full Rear Bench seat w/backrest (2 person)
- All Fabric High Grade UV Protected Vinyl

NAVIGATION/ELECTRONICS

- International Running Lights
- Compass
- Livorsi Instrumentation – Speedometer, Tachometer, Volt Meter, Fuel Gauge, Water Temp
- Waterproof DC Breaker Panel

HARDWARE

- Dual Automatic Bilge Pumps
- 2 Optima Batteries w/ Switch
- Dual Water fuel Separator
- Hydraulic Steering
- Stainless Steel Pull-Up Cleats (3)
- Electric Horn
- Swim Platform Engine Bracket White Powder Coated with Zinc Plates for Galvanic Protection
- Aluminum Powder Coated Bow Rails, Grab Rails & Helm Seat Base
- Stainless Steel Fuel & Water Fillers
- Thru bolted Stainless Steel Hardware
- Stainless or Copper Through-hull fittings below the waterline

Every Concept boat offers a variety of options the assembly line companies would be hard to match. We have worked long & hard to deliver you the best boat you can buy dollar for dollar, and from bow to stern the highest standards of quality wood free construction. We do not own a chopper gun to blow fiberglass because we hand lay all our boats; all coring including the transom and stringer system is high density composite cell encapsulated in Fiberglass. We fiberglass and chemically bond our hull and deck together with methacrylate (melts the fiberglass together).

OPTIONAL FEATURES

OPTIONAL COCKPIT & TOP

- Bimini Top
- Radar Arch w/Ski Eye No Bimini
- T-Top
- Overhead Electronic Box
- Outriggers
- Remote Spot Lights (Arch/T-Top)

Concept

The 23' deep V 22 degree dead-rise hull bottom will perform with a single motor at top end speeds of 50 to 63+ mph depending on Power. Delivering a dry, stable, soft ride, the 23' is not only easy on the pocketbook, it's easy to trailer and maintain. Concept is the ultimate utilitarian boat for today's discriminating client. For family cruising or getting to the fish first, we welcome personal input to refine every detail to fit our clients boating needs.

The external bracket on our 23' allows a spacious swim platform area, and optional ladder for easy entry. Outboard power today is 30 to 40% better fuel economy, quiet, no corrosion issues and allows for shallow water travel, getting to places others cannot go. Form follows function in the deck, an optional head is in the console and ample seating for 8 people standard, and spacious non-skid deck with lots of room to move for topside activities.

Concept's goal is to provide you with a delightful boating experience. For fishing, diving or entertaining, Concept is unparalleled in combining a performance sport boat with the ease and maintenance of an outboard fishing boat. With 125 graphic designs for you to choose from, it all adds up to a sleek, fuel-efficient, family-friendly boat.
